

GALAXY AUTOMOTIVE

COMES STANDARD WITH HEAT!

Nothing beats this machine for getting at deeply imbedded dirt and grime in auto upholstery and carpet and removing it for good! The winning combination is lots of heat plus high performance dual vacuums for squeaky clean interiors and faster drying time—all with a single power cord. For extra power, opt for dual power cords (included) for fast and continuous heat. The machine utilizes a powerful Heat 'N' Run heater delivering 200 degrees of heat in just 90 seconds. It's hi-tech design houses a large 12-gallon tank inside a small, compact body for exceptional portability.

Transport and maneuvering are further enhanced with the big 10-inch wheels and stair climbing handle. The Galaxy Automotive comes complete with a stainless steel detailer tool, hose assembly and optional second power cord with adapter for dual cord operation.
