

METEOR

AVAILABLE WITH HEAT!

Small but mighty, the Meteor is 29 pounds of sheer cleaning power and performance—so compact and inexpensive yet it's durable enough to withstand the toughest commercial jobs over and over again! An optional factory-installed in-line heater makes the Meteor perfect for heavy duty auto detailing or any other job that needs the extra cleaning power of heat. A revolutionary lift-off bucket with bladder holds both clean and dirty water, eliminating the need to pour into the machine and making filling and emptying incredibly easy with no spills or mess. So light and portable, it doubles as a spotter! The Meteor comes complete with a 10' hose assembly.
