

# POLARIS 500PS, 700PS, 701PS

These self-contained workhorses combine remarkable ease of operation with unbeatable performance and portability to deliver consistent results in light speed!

The Polaris is big enough to tackle large rooms and hallways and is available with a full complement of accessories giving it maximum versatility to clean upholstery, stairs and other hard to reach places. A lift-off recovery bucket makes emptying quick and easy without the need for a drain hose. Special features including the patented 4-wheel design, adjustable handle and lightweight construction allow easy transportation and unparalleled balance and maneuverability.

Clamshell design provides easy internal access for fast service
