

SATURN HIGH SPEED BURNISHERS

Available in traditional style or new 17" compact design with fold-down handle!

The Saturn burnishers make it simple to bring a smooth, super high-gloss luster to any hard floor surface. Watching these machines in action will make anyone a believer! The perfect combination of weight and high speed produces a spectacular finish in record time. Brand new to the line-up is a 17" 2000 RPM model with a fold-down handle and a special compressed design for the ultimate in portability and storage plus greater maneuverability in tight spaces. Our traditional 20" models are available in 1500 or 2000 RPM and both the traditional and fold-down models are designed with an all-metal construction including stainless steel brush cover, making them as durable as they are dependable. All models come complete with flex-lock pad driver.
