3200 Rider Scrubber

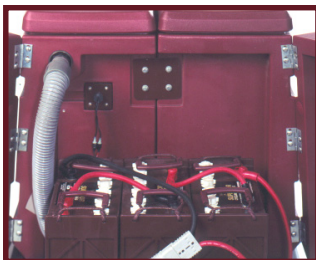

Performance Driven Rider Scrubber

Minuteman's model **3200 Rider Scrubber** combines the convenience of a rider with maximum maneuverability to clean close to walls, into corners and up and down narrow aisles. This heavy-duty industrial battery operated rider provides extended runtime before recharging.

The **3200 Rider Scrubber** combines wet scrubbing and dry vacuuming, leaving floors in heavy traffic areas immediately safe for traffic.

The **3200 Rider Scrubber** comes equipped with 35-gallon solution and recovery tanks that provide labor and time savings. A 2-inch drain hose allows for quick and easy emptying of the recovery tank. Other features include a convenient operator's control panel and a swing-type rear squeegee assembly.

With its' many standard features and options, the **3200 Rider Scrubber** has been designed to provide years of dependable and efficient performance.

Hinged rear doors swing wide for easy access to battery compartment.
