SECTION I

Identity (As Used on Label and List) EPA Reg. No. 11694-110
18520 The End.®

Manufacturer's Name
ITW Dymon

Address (Number, Street, City, State, and ZIP Code)
805 EAST OLD 56 HIGHWAY

OLATHE, KANSAS 66061

Emergency Telephone Number
1.800.535.5053

Telephone Number for Information
1.913.397.9889

Date Prepared
April 3, 2000

This product is not known to contain any compound listed and in quantities requiring reporting under SARA Title III Section 313.

TSCA: All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory.

Any substance listed as hazardous by the States of California, Massachusetts, New Jersey or Pennsylvania is described above if known present in regulated concentrations.

Extinguishing Media -
Treat as an oil fire. Floating fire may spread. Use carbon dioxide, foam, or dry chemical.

Special Fire Fighting Procedures - Use water spray to keep containers cool and vapors down. Do not allow runoff to enter sewers or public watercourses. This product is toxic to fish. Wear self-contained breathing apparatus in chemical fires.

Unusual Fire and Explosion Hazards -
Aerosol container (pressurized) may burst if heated over 130 °F. Contains combustible liquids.
Stability | Incompatible Materials to Avoid -
---|---
Unstable | Strong oxidizing and strong reducing agents, strong mineral acids, oxygen, chlorine, permanganates, and dichromates.
Stable | 

Incompatibility (Materials to Avoid) -

Hazardous Decomposition or Byproducts -

Carbon dioxide, carbon monoxide, smoke, soot and various organic oxidation by-products.

Hazardous Polymerization

Polymerization | May Occur | Conditions to Avoid - None known
---|---|---
Will Not Occur | X |

SECTION VI – Health Hazard Data

Route(s) of Entry | Eyes? | Inhalation? | Skin? | Ingestion?
---|---|---|---|---
No | Yes | No | Yes |

Health Hazards (Acute and Chronic) - Caution. Harmful if inhaled. May be harmful if inhaled or swallowed. May cause skin irritation. Excessive exposure to vapors in inadequately ventilated areas may induce anesthetic properties. Follow good chemical hygiene practices when using this and other insecticidal products.

Carcinogenicity:

None known

Signs and Symptoms of Exposure -

Irritation of nose, throat or respiratory tract. Redness or irritation of skin or eyes. Overexposure to vapors may cause drowsiness, dizziness, nausea, loss of coordination or consciousness (extreme conditions) or fatigue.

Medical Conditions Generally Aggravated by Exposure -

Slight skin irritation to those with sensitive skin. Follow good chemical hygiene practices to avoid these hazards. Normal. Wash thoroughly with soap and water before eating, drinking, smoking, using restrooms, etc.

Emergency and First Aid Procedures:

Inhalation – Flush with plenty of water for at least 15 minutes lifting eyelids to insure complete removal. Get immediate medical attention. Ingestion – (Unlikely, aerosol) If swallowed, call a physician or poison control center immediately. Do not induce vomiting unless instructed by a physician. Get immediate medical attention. Inhalation – Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention. Skin – Wash with soap and water, rinse thoroughly. If irritation arises and persists, call a physician. Note: Contains petroleum distillates (<10%)

SECTION VII – Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled -

Caution, slip hazard. Remove any residues with suitable cleaning agent. Wear protective gear as necessary. For small spills, wipe up promptly. For large spills, isolate traffic and ventilate area. Eliminate all ignition sources. Dike to prevent spread. Pick up with an absorbent material. Put in a suitable container for proper disposal. This product is toxic to fish.

Waste Disposal Method - Consult local, state and federal regulations. Do not puncture or incinerate container. Replace cap on empty can, wrap container in several layers of newspaper and dispose of in trash. Offer for recycling if resources are available.

Precautions to be Taken in Handling and Storing –

Do not breathe vapor or spray mist. Remove contaminated clothing and wash before reuse. Avoid contamination of feed and foodstuffs. Vacate room after treatment and ventilate before reoccupying. Store in a cool (under 130°F) dry location away from heat, sparks, open flame, and direct sunlight. Protect from freezing. Store at temperatures above 32°F and below 130°F.

Other Precautions –

Follow label directions carefully. Keep out of reach of children. Do not deliberately concentrate and inhale vapors. Direct spray away from face. Replace cap when not in use. Do not use around ignition sources such as heat, sparks, open flame, static electricity, electric motors, welding arcs, etc. Do not puncture or incinerate container. Do not smoke while using. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Vacate room after treatment and ventilate before reoccupying. Do not use around the elderly, infirm or patients.

SECTION VIII – Control Measures

Respiratory Protection (Specify Type) - Not usually necessary. Use with adequate ventilation. If PELs or TLVs are exceeded (see Section II), use an approved NIOSH/MSHA respirator.

Ventilation | Local Exhaust | Acceptable | Special | None
---|---|---|---|---
Mechanical (General) | Normal | Other | None |

Protective Gloves -

Not usually needed. If direct contact possible, impervious

Eye Protection -

Safety glasses or goggles (ANSI Z87)

Other Protective Clothing or Equipment -

Not usually needed. If direct contact possible, wear apron, boots, face shield, etc. as necessary.

Work/Hygienic Practices -

Normal. Wash thoroughly with soap and water before eating, drinking, smoking, using restrooms, etc.

The use of this product is beyond the control of the manufacturer; therefore, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practices. The user must assume all responsibility, including safety and damage, resulting from misuse as such, or in combination with other materials. The manufacturer reserves title to the product under the manufacturer's specifications for each product. THIS WARRANTY IS EXPRESSLY OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. AS TO DESCRIPTION, QUALITY, AND MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, PRODUCTIVITY, OR ANY OTHER MATTER OF THIS PRODUCT. THE MANUFACTURER SHALL BE IN NO WAY RESPONSIBLE FOR THE PROPER USE OF THE PRODUCT. THE user and executor hereby against the manufacturer for breach of warranty shall be reimbursement of the purchase price of this product in the event there are defective conditions of the product shall be found to exist. NO OTHER REMEDY (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR INJURY TO PERSON OR PROPERTY OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS) SHALL BE AVAILABLE.
