**Material Safety Data Sheet**

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.

**Identity (As Used on Label and List)**

36232, 36201, 36225, 36205, 36295, 36294, 36235, 36255 Orange Power Foam

**SECTION I**

**Manufacturer's Name**

ITW Dymon

**Emergency Telephone Number**

1-800-535-5053

**Address (Number, Street, City, State, and ZIP Code)**

805 EAST OLD 56 HIGHWAY

OLATHE, KANSAS 66061

**Date Prepared**

April 3, 2000

**Signature of Preparer (Optional)**

Regulatory Dept.

**SECTION II - Hazardous Ingredients/Identity Information**

* This product contains 2-Butoxyethanol (a glycol ether compound) which is listed and may require reporting under SARA Title III Sec. 313 if used over the threshold reporting quantity. This information must be included in all MSDSs that are copied and distributed for this material.

**TSCA:** All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory.

Any substance listed as hazardous by the States of California, Florida, Illinois, Michigan, New Jersey, Ohio, Pennsylvania or Texas is described above if known present in regulated concentrations.

**SECTION III - Physical/Chemical Characteristics**

**Extinguishing Media**

Not usually necessary as this material does not readily support combustion. Use media appropriate for fire's fuel source.

**Special Fire Fighting Procedures**

- Keep containers cool and vapors down with water spray. Prevent runoff from entering sewers and public waterways. Wear SCBA in chemical fires.
Unusual Fire and Explosion Hazards -
Contact with aluminum may generate flammable hydrogen gas.
SECTION V - Reactivity Data

Stability Unstable Conditions to Avoid - None known
Stable X

Incompatibility (Materials to Avoid) - Strong acids, oxidizing and reducing agents; materials reactive with hydroxyl compounds.

Hazardous Decomposition or Byproducts - Carbon dioxide, carbon monoxide and various organic oxidation products.

Hazardous Polymerization May Occur Conditions to Avoid - None known
Will Not Occur X

SECTION VI - Health Hazard Data

Route(s) of Entry Eyes? Yes Inhalation? No Skin? No Ingestion? Yes

Health Hazards (Acute and Chronic) - Caution. May cause eye and skin irritation. May be harmful if inhaled or swallowed. May be absorbed through intact skin. Repeated or prolonged occupational overexposure may cause dermatitis. Overexposures may induce central nervous system effects. Follow good chemical hygiene practices when using this and other alkaline cleaners.

Carcinogenicity: NTP? No IARC Monographs? No OSHA Regulated? No

Signs and Symptoms of Exposure - Redness, tearing or burning in eyes. Redness, drying or cracking skin. Irritation of the nose or throat. Inhaling or swallowing may bring about drowsiness, dizziness, nausea, fatigue or loss or coordination.

Medical Conditions Generally Aggravated by Exposure - Pre-existing skin, blood, liver, kidney or lung disorders may be adversely affected.

Emergency and First Aid Procedures:
Eyes - Flush with plenty of water for at least 15 minutes lifting eyelids to insure complete removal. See a physician immediately.
Ingestion - Call a physician or poison control center immediately. Inhalation - Get to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration. Skin - Flush with plenty of water for at least 15 minutes. If irritation arises or persists, call a physician.

SECTION VII - Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled - Caution, slip hazard. Wipe up small spills promptly with a rag, towel or other absorbent material. For large spills, isolate and ventilate area. Eliminate all ignition sources. Wear protective equipment as required. Dike to prevent spread. Pick up on an absorbent material. Put in suitable container for proper disposal.

Waste Disposal Method - Consult local, state, and federal regulations. Triple rinse empty container then offer for recycling, reuse, or reconditioning.

Precautions to be Taken in Handling and Storing - Avoid contact with eyes, skin and clothing. Avoid inhaling mists. Wash thoroughly after handling. Do not swallow.

Other Precautions - Follow label directions carefully. Keep out of reach of children. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by use or storage.

SECTION VIII - Control Measures

Respiratory Protection (Specify Type) - Not usually necessary. Use with adequate ventilation. Use NIOSH/MSHA approved respirator if PELs or TLVs are exceeded.

Ventilation Local Exhaust Not usually needed Special None
Mechanical (General) Yes Other None

Protective Gloves - Yes, impervious

Eye Protection - Yes, goggles or approved safety glasses (ANSI Z87)

Other Protective Clothing or Equipment - Not usually needed. If direct contact is possible, wear apron, boots, face shield, etc. as necessary.

Work/Hygienic Practices - Normal. Wash hands after use and before eating, drinking, smoking, using restrooms, etc.
